Fungus and Mold Declaration

Three-Sixty Solutions, Inc. declares that all of its Solu-Cell Foams (Closed Cell and Cross-Linked polyethylene and EVA bun stock foams including AS/SD/CD/FR grades) are resistive to fungus and mold. This declaration complies with MIL-STD-810F method 508.5.

A handwritten signature in blue ink, appearing to read "Russell Western", is written over a horizontal line.

Russell Western

President

Three-Sixty Solutions, Inc.
