Shelf-Life Declaration

Three-Sixty Solutions, Inc. declares that all of its Solu-Cell Foams (Closed Cell and Cross-Linked polyethylene and EVA bun stock foams including AS/SD/CD/FR grades) will not deteriorate in their physical properties or change in color, to any significant level, for at least 10 years, if the product is maintained with no exposure to UV or excessive relative humidity.

A handwritten signature in blue ink, appearing to read "Russell Western", with a long horizontal flourish extending to the right.
